Strumming pattern: D D u u D u

Jersey Girl
By Tom Waits

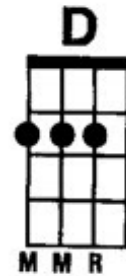

Standard tuning: g C E A
BPM 86

Intro: **G D A D G D A D**
G

Got no time for the cornerboys
Down on the street makin' all that noise
Don't want no whores on eight avenue
'cause tonight I'm gonna be with you

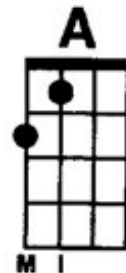

Tonight, I'm gonna take that ride
Across the river to the Jersey side
Take my baby to the carnival

And I'll take her on all the rides
Down the shore everything's all right
You with your baby on a Saturday night
Don't you know all my dreams come true

When I'm walking' down the streets with you
Sing sha la lala la sha lala la la la

I'm in love with a Jersey Girl sha la la la la sha la la la la la

You know she thrills me with all her charms
When I'm wrapped up in my baby's arms

My little angel gives me everything
I know some day she'll wear my ring

So don't bother me 'cause I've got no time
I'm on my way to see that girl of mine

Nothing matters in this whole wide world
When you're in love with a Jersey girl

Sing sha la lala la sha lala la la la

I'm in love with a Jersey Girl sha la la la la sha la la la la la
And I call your name, I can't sleep at night

Shalala.....
I'm in love with a Jersey girl sha la la la la sha la la la la la
